

To,
The Commercial Officer,
Bharat Sanchar Nigam Limited (BSNL),
Bhopal, Madhya Pradesh.

Subject: Request for Internet Speed Upgrade to 100 Mbps

Respected Sir/Madam,

I am a BSNL Bharat Fiber customer using the **FIBRE VALUE** plan. I am writing this application to request an upgrade of my broadband plan to a higher-speed option with **100 Mbps** connectivity, as per the available Bharat Fiber plans.

My details are as follows:

- **Name:** Khalique Ahmed
- **Telephone No.:** 0755-2995872
- **Billing Address:** H No. 06, Gali Phool Mahal–Sulamania School, Bhopal (Huzur), 462001, Madhya Pradesh.

Currently, my plan is **60 MBPS**. I am satisfied with the service but require higher speed for professional work and digital needs. Therefore, I kindly request you to upgrade my connection to a **100 Mbps Bharat Fiber plan** at the earliest.

Please let me know the formalities, applicable charges, and migration procedure for this upgrade.

I look forward to your quick response and continued support.

Thanking you,
Yours faithfully,
(*Khalique Ahmed*)
